

Help Us Create More Superhero Moments – Sponsor the 2025 JSSF 5K

Every child deserves a chance to dream, play, and just be a kid. But for children battling cancer, those simple joys are often replaced by hospital stays, treatments, and uncertainty. At the **John Shapiro Superheroes Foundation (JSSF)**, we believe in giving these children and their families something even stronger than treatment—**hope**.

On **Saturday, June 7, 2025**, we are hosting our **13th Annual Superheroes 5K, 1-Mile Walk, and Kids Fun Run** at St. Helena School in Blue Bell, PA. This event is more than just a race—it's a powerful community gathering where families, friends, and businesses like yours come together to support children fighting life-threatening illnesses.

Thanks to generous sponsors, we have already raised **over \$690,000** and supported **220 children**. Beyond financial relief for families, our work has helped CHOP provide comfort and joy to young oncology patients through **Play Touch tables for outpatient oncology spaces, LEGO kits, and gaming system carts**—small but meaningful touches that make a hospital feel a little more like home.

This year, we invite you to be part of this mission and help us soar to new heights!

As a **sponsor**, you will be making a direct impact, ensuring that more families receive the support they need and more kids find moments of happiness during the toughest times. Sponsoring also gives your business valuable visibility among hundreds of local participants, showcasing your commitment to making a difference.

Enclosed, you'll find sponsorship details outlining the various levels of support. If you have any questions or would like to discuss how we can partner in a meaningful way, please don't hesitate to reach out.

Together, we can show these children that they are not alone—that they have a community of superheroes standing beside them.

Thank you for considering this opportunity. We truly appreciate your support.

With gratitude,

Theresa Zulick
