

## Join Our Community of Superheroes

Sponsor the 2026 John Shapiro Superheroes 5K

Every child deserves the chance to laugh, play, and simply be a kid. But for children battling cancer and other life-threatening illnesses, those carefree moments are too often replaced by hospital stays, difficult treatments, and overwhelming uncertainty.

The John Shapiro Superheroes 5K was created in memory of John Shapiro, who courageously fought cancer until the age of six. Inspired by his strength, joy, and superhero spirit, our mission is to bring moments of comfort, hope, and childhood back to kids who need them most.

On **Saturday, June 6, 2026**, we will host the **14th Annual Superheroes 5K, 1-Mile Walk, and Kids Fun Run** at St. Helena School in Blue Bell. What began as a small neighborhood gathering has grown into a powerful community tradition—one where families, volunteers, and local businesses unite to lift up children facing extraordinary challenges.

Thanks to the generosity of sponsors and supporters, the foundation has raised **over \$750,000** and supported **more than 250 children and their families**. These funds help ease financial burdens during treatment and support programs that bring joy, comfort, and relief to pediatric oncology patients. Many of the families we serve live right here in our community—neighbors who suddenly find themselves navigating the unimaginable.

We invite you to join us as a sponsor of the **2026 Superheroes 5K**. Your support will help us continue providing meaningful assistance to families while demonstrating your organization's commitment to compassion, community, and making a lasting difference.

Enclosed you will find our sponsorship opportunities. We would be honored to partner with you and make the 14th Annual Superheroes 5K our most impactful event yet.

Together, we can create more superhero moments for the children who need them most!

With gratitude,

Theresa Zulick
